

Department Organization

Public Works

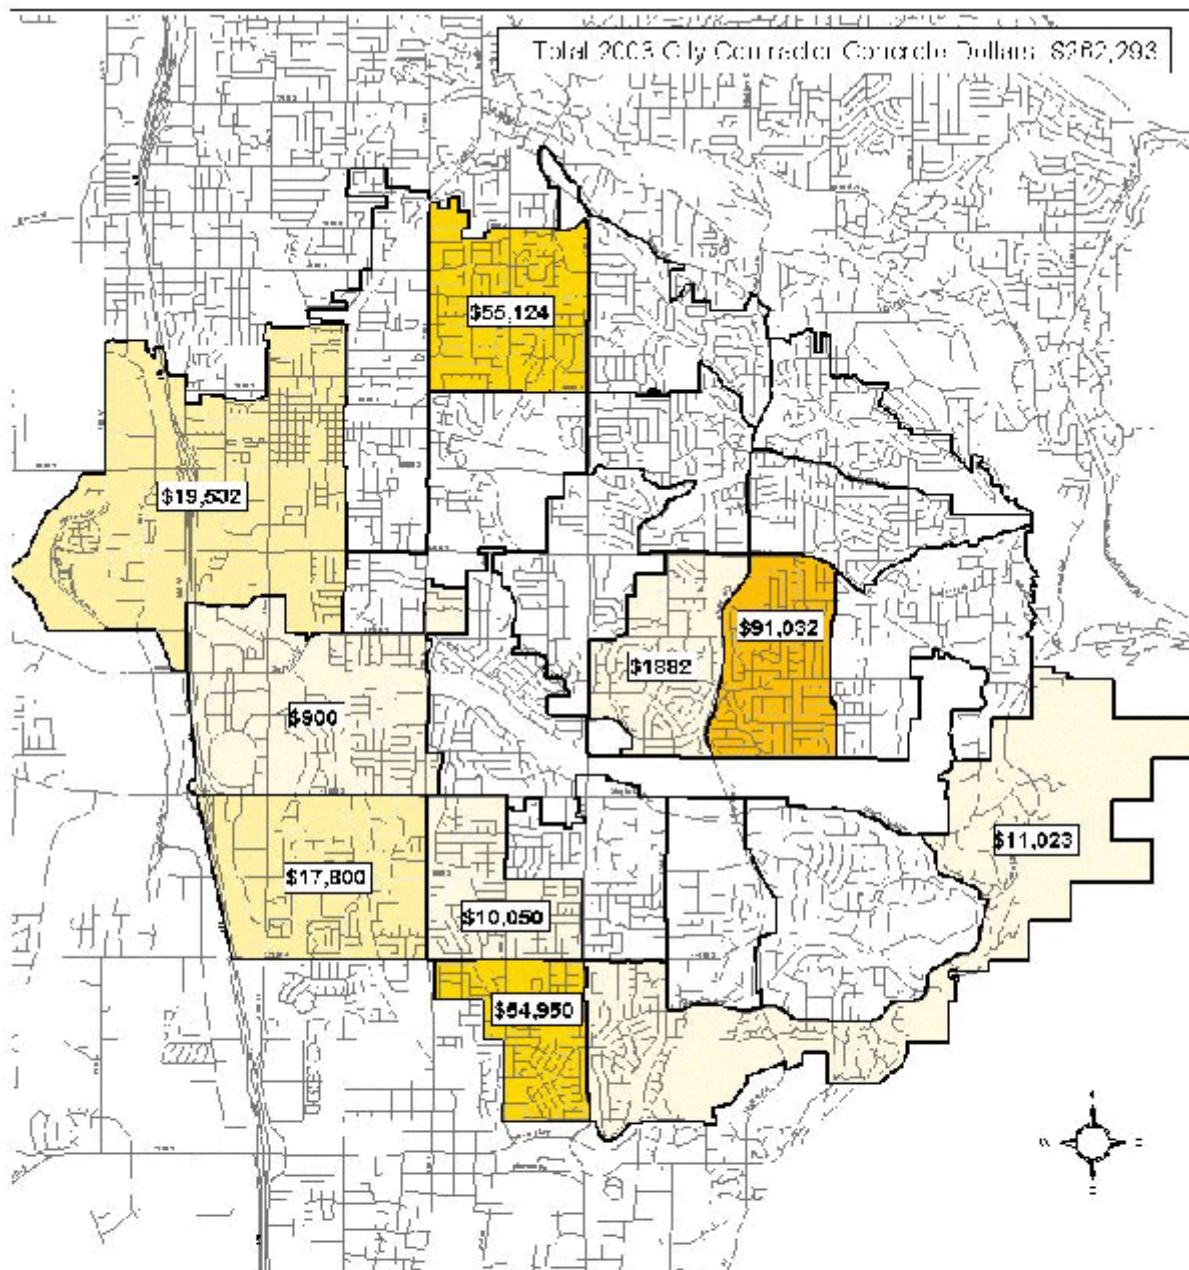

Department Description

The Public Works Department provides the physical infrastructure and services that meet the needs of City residents, and achieves optimum costs of construction, operations, and maintenance. The Department is composed of experienced, intelligent, and dedicated professionals who continuously work to improve service to the community. These professionals provide the imaginative planning, conceptual design, organizational leadership, and financial acumen that make the Public Works Department an integral part of the Sandy City Administration.

Department Mission

Working together, we provide exceptional services to support our community in the areas of infrastructure repair and maintenance, engineering, and traffic and fleet management. We listen ... and we respond. We value doing the job right the first time, and treating people with dignity and respect.
